Dear School-Agers & Parents,

Welcome to Camp Discovery 2014 - Explore, Educate, Entertain! We have a very action-packed program in store this year. Each week will have its own unique theme featuring an exciting balance of fun, learning and adventure. The children will take multiple weekly field trips to favorites such as Laser Quest, Malibu Grand Prix, Chuck E. Cheese and several visits from The GameTruck! The children will do a variety of projects ranging from arts and crafts, to science experiments and cooking projects. And to top it all off we have two large inflatable water slides to add to the fun with our bi-weekly water days! Your children will not want to miss the excitement we have in store. Register them now while spaces are still available!

The cost for summer camp will be:

Single child	\$150/week including the cost of all field trips, snacks and lunches (field trips requiring sack lunches are to be provided by parents)
Multi-child	\$125/week including the cost of all field trips, snacks and lunches (field trips requiring sack lunches are to be provided by parents)
